

# JOURNEY TO THE STREETS

## MINI MISSION TRIP

Thank you for your interest in serving through our mini mission trip with JTTS. Here are a few tips to help you prepare for the event:

### 1. WHAT TO WEAR (and not wear)

JTTS strives to make sure that the focus of our service is God's light shining through us! To help us keep the focus on him, please:

- **Consider who you are serving:** expensive jewelry, clothing, or shoes are *not* recommended while serving on the streets.
- **Dress for the weather:** we're out on the streets in all kinds of weather conditions.
- **[Consider wearing a Journey to the Streets shirt:](#)** easily identify yourself as a volunteer!
- **Maintain modesty:** dress comfortably, while also ensuring that your attire won't be distracting to those we are serving.
  - You may be sweating (a lot)—so your clothing could get wet. Keep in mind that white or light clothes can become see-through when wet.
  - You might also be bending, stooping, and stretching.
- **Wear suitable footwear:** we walk through different areas that have uneven or unpaved surfaces—wear sturdy shoes to help you navigate at our stops.
- **Firearms and weapons:** open carry is *discouraged* while serving with us on the streets. Thank you for your help with this safety measure. We also urge you to:
  - Conceal and secure all firearms or other weapons that you may have on your person or in your vehicle.
  - Keep the knowledge of your firearm or other weapon private.
    - We ask that you refrain from making statements in front of the people we're serving about carrying a firearm or weapon.
    - You *can* tell JTTS leaders that you are carrying, but please do it discreetly.

### 2. WHAT TO BRING

- **Sunscreen or rain gear:** bring sunscreen, rain gear, and other protection from the elements as appropriate. We serve in every weather condition, from hot and muggy to cold and rainy.
- **Water:** stay hydrated! Please bring your own water (or other beverages of your choice).
- **Snacks:** maintain energy! We serve for several hours during the mini mission trip. So, please bring your own snacks.

**We look forward to seeing YOU on the streets soon!**
